

# ENDURA™ COPE

## Tapered Version

### The Right Design, Quality, Color and Finish At the Right Price

Malarkey continues our tradition of innovatively designed, rigorously tested roof edge systems with Endura™ Cope. The clean design of Endura™ Cope is available in many versions, making it a versatile solution for a variety of roof conditions. Its full snap-on design ensures long-term positive attachment and brings dependable stability to the roof edge system. Endura™ Cope installs quickly and can lower labor costs too.

Endura™ Cope is custom fabricated in sizes to meet your specific requirements, making it the right fit for all your jobs.

- ▶ Try the well-designed, competitively-priced Endura™ Cope products and see how Malarkey can help deliver your project **ON TIME AND ON BUDGET.**

#### High Quality

- ▶ Factory Mutual approved for wind uplift protection
- ▶ Compliant with all relevant building codes, including the High Velocity Hurricane Zone of the Florida Building Code
- ▶ Warranties match applicable NDL terms/conditions

#### Affordable

- ▶ Decreased labor costs due to easy installation
- ▶ Available in a wide range of standard colors and finishes

#### Easy Installation

- ▶ Full snap-on design in 12' lengths with no crimping
- ▶ Pre-punched fastening holes ensure proper attachment to the building substrate
- ▶ Corrosion resistant, stainless steel springs are factory attached to the anchor clips and provide long-term, positive spring loading

Since 1956, Malarkey Roofing Products has operated as a family owned, professionally managed, privately held company, headquartered in Portland, OR.
