Address: _____

City, State, Province, Zip/PC: _____

Phone Number: _____

Project Name: _____

Project Address: _____ Original Installation Date: _____

City, State, Province, Zip/PC: _____

New Owner's Name: _____

New Address: _____

City, State, Province, Zip/PC: _____

Phone Number: _____

Real Estate Transfer Date: _____

Note: Please complete the above transfer form and provide the original Emerald Pro Warranty or Emerald Pro Warranty registration number for the Certified Roofing System installed on the residence being transferred. These can be emailed to warrantyinquiries@malarkeyroofing.com. Once Malarkey has both the original Emerald Pro Warranty and information on this transfer form, the Emerald Pro Warranty will be transferred, if it is eligible for transfer, and coverage will be in accordance with the terms and conditions of the **warranty applicable at the time of the installation**. See 'Transferability' section of the Emerald Pro Workmanship Warranty.

The new property owner must register and submit payment online for this warranty transfer. The form can be filled out online at <https://malarkeyroofing.com/certified-contractor/home-owners>. **Malarkey will not accept cash, check or money order for payment.**

Retain a copy for your records: The owner should retain all documents and proof of purchase of Malarkey products and/or Emerald Pro Warranty for submission for validation of claims. If you need assistance, please contact our Warranty Services Department at (800) 545-1191.

In the event of a roofing material concern, please refer to the 'Emerald Pro Shingle Warranty Program' for the terms, conditions, and items covered by your product warranty selection. Should you conclude that the roofing material concern is Malarkey's responsibility, please contact the Malarkey Warranty Services Department for assistance at (800) 545-1191.

Please retain a copy of all receipts related to your roofing project for your records and as proof of purchase or installation.

Sincerely,

Malarkey Certified Residential Contractor Program
