- Wide variety of colors available
- Warranties match applicable NDL terms and conditions
- Tested to comply with the IBC

## ENDURA™ EDGE MULTI-PLY OR MODIFIED

**PRODUCT USE**

Endura™ Edge for multi-ply or modified roofing systems protects against high wind events, saving the building from costly damage. The design eliminates the stripping-in typical of other products, making Endura™ Edge fast and easy to install.

**COMPOSITION & MATERIALS**

Endura™ Edge fascia covers are manufactured of 24 ga. steel and .040" aluminum, coated with Kynar 500® finish, and available in many popular colors.

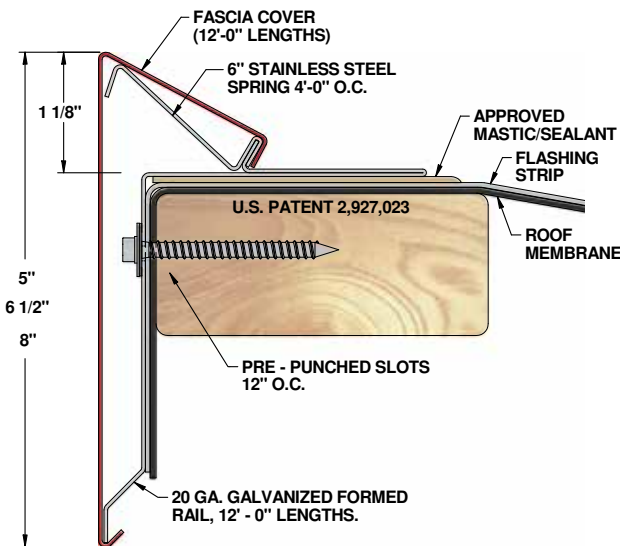

**APPLICATION**

Installation instructions are available at [WWW.MALARKEYROOFING.COM](http://WWW.MALARKEYROOFING.COM), or by contacting our Technical Services Department.

**WARRANTY**

Endura™ Edge is offered with warranties in varying length and wind speeds that match the terms and conditions offered in the applicable Malarkey Materials and Labor Warranty (NDL). For non-NDL applications this product is warranted against manufacturing defects for a period of ten (10) years. A 30-year Kynar 500® finish warranty is included on coil-coated standard colors. Custom post-coated Kynar 500® colors are available with an included 10-year Kynar 500® finish warranty or a 20-year Kynar 500® finish warranty is available upon request. Contact your roofer, local distribution center, or Malarkey for full details. See below for TECHNICAL ASSISTANCE contact information.

Endura™ Edge and other Malarkey products are available throughout North America and Pacific Rim countries. Visit [WWW.MALARKEYROOFING.COM](http://WWW.MALARKEYROOFING.COM) for additional product information and availability.
