

TECHNICAL DETAILS

AVAILABLE SIZES

24 in²/lf and 36 in²/lf NFA

MATERIAL

24 ga. Steel

TEST COMPLIANCE

California Wildfire Building Code Compliant

FEATURES & BENEFITS

- Accommodates roof slopes 3:12 to 12:12
- Two-piece assembly for less material handling and quicker installation
- Guarantees requisite exhaust airflow at the ridge
- Warranties match applicable NDL terms and conditions
- Pre-slotted fastening holes
- Factory fabricated end caps

ENDURA™ VENT RIDGE VENT

PRODUCT USE

Endura™ Vent Ridge Vent is engineered to meet higher Net Free Area values with a field-adjustable top pitch. Endura™ Vent Ridge Vent is manufactured in a convenient two-piece assembly and 12-ft. lengths for less material handling and quicker installation.

COMPOSITION & MATERIALS

Endura™ Vent Ridge Vent is manufactured of 24 ga. steel in four popular, quick-to-ship colors: Dark Bronze, Medium Bronze, Bone White, and Slate Gray. Express and Standard colors are also available with additional lead time.

APPLICATION

Installation instructions are available at WWW.MALARKEYROOFING.COM, or by contacting our Technical Services Department.

WARRANTY

Endura™ Vent Ridge Vent is offered with warranties in varying length and wind speeds that match the terms and conditions offered in the applicable Malarkey Materials and Labor Warranty (NDL). For non-NDL applications this product is warranted against manufacturing defects for a period of ten (10) years and wind speeds up to 90 mph (145 kph). Contact your roofer, local distribution center, or Malarkey for full details. See below for TECHNICAL ASSISTANCE contact information.

Endura™ Vent Ridge Vent and other Malarkey products are available throughout North America and Pacific Rim countries. Visit WWW.MALARKEYROOFING.COM for additional product information and availability.
