Malarkey Roofing Products® offers many reflective cap sheet options for contractors and architects. Meeting a variety of building material performance ratings, these cap sheets can be utilized for numerous low slope roofing systems with several application methods. Malarkey’s reflective cap sheets have the required reflectance to be designated with industry leading energy conservation standards.

### RCAP™ REFLECTIVE LINE

**RCap™ Plus**
- ASTM D3909; ASTM E108 Class A Fire Rating
- 78 lbs. per roll, Net 1 square coverage
- 105 mils (nominal)
- SKU #524G

524G RCAP™ Plus
SBS Polymer Modified Reflective Granule-Surfaced Fiberglass Cap Sheet

**RCap™**
- ASTM D3909; ASTM E108 Class A Fire Rating
- 100 lbs. per roll, Net 1 square coverage
- 120 mils (nominal)
- SKU #624

624 RCAP™
SBS Polymer Modified Reflective Coated Granule-Surfaced Fiberglass Cap Sheet

**Paragon® RCap™**
- ASTM D6163 Type I, Grade G; ASTM D3909; ASTM E108 Class A Fire Rating
- 100 lbs. per roll, Net 1 square coverage
- 130 mils (nominal)
- SKU #626

626 Paragon® RCap™
Premium SBS Polymer Modified Reflective Coated Granule-Surfaced Fiberglass Cap Sheet

**OmniTG™ RCap™**
- ASTM D5147; ASTM D6222 Type I
- 110 lbs. per roll, Net 1 square coverage
- 168 mils (nominal)
- SKU #164

164 OmniTG™ RCap™
APP-Modified Torch Grade Reflective Cap Sheet

---

**ASTM D6163 Type I, Grade G; ASTM D3909; ASTM E108 Class A Fire Rating**
- 100 lbs. per roll, Net 1 square coverage
- 130 mils (nominal)
- SKU #626

---

**ASTM D3909; ASTM E108 Class A Fire Rating**
- 78 lbs. per roll, Net 1 square coverage
- 105 mils (nominal)
- SKU #524G

---

**ASTM D3909; ASTM E108 Class A Fire Rating**
- 100 lbs. per roll, Net 1 square coverage
- 120 mils (nominal)
- SKU #624

---

**ASTM D6163 Type I, Grade G; ASTM D3909; ASTM E108 Class A Fire Rating**
- 100 lbs. per roll, Net 1 square coverage
- 130 mils (nominal)
- SKU #626

---

**ASTM D5147; ASTM D6222 Type I**
- 110 lbs. per roll, Net 1 square coverage
- 168 mils (nominal)
- SKU #164

---

**Application Methods:**
- Initial Reflectivity: 0.70
- Weathered Reflectivity: 0.62

---

**ASTM D3909; ASTM E108 Class A Fire Rating**
- 78 lbs. per roll, Net 1 square coverage
- 105 mils (nominal)
- SKU #524G

---

**Application Methods:**
- Initial Reflectivity: 0.77
- Weathered Reflectivity: 0.71

---

**Application Method:**
- Initial Reflectivity: 0.77
Reflective Cap Sheets

Malarkey Roofing Products® offers many reflective cap sheet options for contractors and architects. Meeting a variety of building material performance ratings, these cap sheets can be utilized for numerous low slope roofing systems with several application methods. Malarkey’s reflective cap sheets have the required reflectance to be designated with industry leading energy conservation standards.

**PARAGON® REFLECTIVE LINE**

- **350 Paragon® CHROMA Cap**
  - SBS Polymer Modified Granule-Surfaced Fiberglass Cap Sheet
  - Paragon® CHROMA Cap is a fire-rated cap sheet manufactured to meet the needs of a high quality built-up roofing system, as a single layer rolled roofing install, or tile underlayment. Paragon® CHROMA Cap can be mechanically fastened or applied with hot mopping asphalt or cold process adhesives. Please consult Malarkey’s Technical Services Department for approval of roof systems when used as a cap sheet in a BUR system. Approved for use on all fire-rated built-up roofs. Installed as a stand-alone sheet, Paragon® CHROMA Cap has a Class C fire rating.
  - ASTM D3909; ASTM E108 Class A Fire Rating
  - 78 lbs. per roll, Net 1 square coverage
  - 105 mils (nominal)
  - SKU #350
  - Solar Reflectance Data Only Applies to Dove White

- **601 Paragon® MOD Cap**
  - SBS Polymer Modified Granule-Surfaced Fiberglass Cap Sheet
  - Paragon® MOD Cap with fiberglass mat is a fire-rated mineral cap sheet manufactured to meet the needs of a high-performance, high-quality built-up roofing system. Paragon® MOD Cap can be applied with hot mopping asphalt or cold process adhesives, and is approved for use on all fire-rated built-up roofs. Please consult Malarkey’s Technical Services Department for approval of roof systems.
  - ASTM D3909; ASTM E108 Class A Fire Rating
  - 120 lbs. per roll, Net 1 square coverage
  - 150 mils (nominal)
  - SKU #601
  - Solar Reflectance Data Only Applies to Dove White

- **625 Paragon® ULTRA Cap**
  - Premium SBS Polymer Modified Granule-Surfaced Fiberglass Cap Sheet
  - Paragon® ULTRA Cap is a fire-rated mineral cap sheet manufactured to meet the needs of a high-performance, built-up, polymer modified roofing system. Paragon® ULTRA Cap sheet can be applied with hot mopping asphalt or cold process adhesives, and is approved for use on all fire-rated built-up roofs. Please consult Malarkey’s Technical Services Department for approval of roof systems.
  - ASTM D6163 Type I, Grade G; ASTM E108 Class A Fire Rating
  - 200 lbs. per roll, Net 1 square coverage
  - 220 mils (nominal)
  - SKU #625
  - Solar Reflectance Data Only Applies to Dove White

**PANO™ CAP REFLECTIVE LINE**

- **502 Pano™ Cap**
  - Fiberglass Reinforced Cap Sheet
  - Pano™ Cap is a fire-rated cap sheet manufactured to meet the needs of a conventional, multi-ply, BUR system. Pano™ Cap can be applied with hot mopping asphalt or cold process adhesives and is approved for use on all fire-rated built-up roofs. Please consult Malarkey’s Technical Services Department for approval of roof systems.
  - ASTM D3909; UL Rating 55A Type G3; ASTM E108 Class A Fire Rating
  - 75 lbs. per roll, Net 1 square coverage
  - 105 mils (nominal)
  - SKU #502
  - Solar Reflectance Data Only Applies to Dove White

**OMNISEAL™ REFLECTIVE LINE**

- **435R OmniSeal™ Cap Plus**
  - SBS Polymer Modified Self-Adhering Polyester Reinforced Cap Sheet
  - OmniSeal™ Cap Plus is an SBS polymer modified, polyester-reinforced cap sheet with high tear and tensile strength. It is self-adhering, does not require mechanical attachment, and used as the surface membrane over various combustible and non-combustible substrates in the OmniSeal™ Self-Adhering roof system.
  - ASTM D3909; D7505; ASTM E108 Class A Fire Rating
  - 90 lbs. per roll, Net 1 square coverage
  - 135 mils (nominal)
  - SKU #435R
  - Solar Reflectance Data Only Applies to Dove White

Contact our Technical Services Department for more details and approval of roof systems at 1.800.545.1191.
